## SCHOOL OF NURSING, STATE HOSPITAL, OSOGBO

---

To register at our Portal, please follow the guide below. If in need of support, send an email to <mailto:mportalsupport@schoolofnursingosogbo.org>.

### **Where do I register for admissions or courses?**

On the Internet at: <http://schoolofnursingosogbo.org/eservices/>

### **What do I need to register?**

First, you need to purchase a scratch card with a PIN. Then, you need to have application materials such as results, passport photo and attestation in digital format on a disk.

### **Do I need someone to help me to register?**

Not if you know how to use a computer and the Internet. You can complete the registration without assistance. However, if you are not so sure about your readiness, you can ask someone who is more computer savvy to help you. Be careful not to give your personal information to people you don't know.

### **How do I ensure my information is secure?**

Log off the web site once you have completed the registration

### **How will I know the registration was successful?**

The web site will update you as you proceed with the registration and when completed. You will also receive an email confirmation within minutes about the completion of your registration.

### **Can I do a paper registration at the School if preferred?**

No. You can only register online.

### **What if I am experiencing technical difficulties?**
